

Dear Parent/Guardian,

The Cobb County School District's Library Media Education Department, in conjunction with Cobb County Public Libraries, Smyrna Public Library, and Marietta City Schools, has partnered with Scholastic to participate in the Scholastic Summer Reading Challenge again for the summer of 2017.

Reading throughout the summer helps students maintain learning gains made in school, and can help them start the new school year off right. In the summer of 2016, **CCSD students logged over 6 MILLION minutes of reading!**

We encourage all students to keep those reading and learning skills sharp by reading great books all summer long. These resources can help:

Scholastic Summer Reading Challenge: Visit www.scholastic.com/summer to log minutes, unlock stories from favorite authors, earn digital rewards, and learn about new books to read. The contest opens May 8th.

CCSD Library Media Education: Visit www.cobbsummerreading.com for access to reading resources, free e-books, book suggestions, and links to learning resources, such as the Cobb Digital Library.

Cobb County and Smyrna Public Libraries: Visit your local public library to check out books and attend fun, free events all summer long. Don't miss the Summer Reading Kickoff at Switzer Library on June 3rd! Visit <http://www.cobbcat.org/srp> for more info.

Log those reading minutes this summer as we strive to break our own records and be included in the book *Best & Buzzworthy 2018: World Records, Trending Topics, and Viral Moments*.

Have a great summer! Keep reading!
