

Dear Parent/Guardian:

The Cobb County School District is partnering again with Cobb and Smyrna Public Libraries for our Summer Reading Challenge! This year we challenge all students to read and log at least 1,500 minutes using Biblionasium. All K-8 students already have Biblionasium accounts and can log in with their student number and school computer password.

Reading throughout the summer for at least 20 minutes a day helps students maintain learning gains made in school and starts the upcoming new school year off right. These resources can help:

**CCSD Library Media Education:** Visit [www.cobbsummerreading.com](http://www.cobbsummerreading.com) for reading resources, ebooks, reading suggestions, and links to learning resources, such as the Cobb Digital Library.

**Cobb and Smyrna Public Libraries:** Visit [www.cobbcap.org/srp](http://www.cobbcap.org/srp) for more information about summer reading programming and this year’s theme of “Libraries Rock!” Students can attend summer reading events and win prizes. Be sure to mark your calendars for the Summer Reading Kickoff on June 2nd at the Switzer branch in Marietta!

**Biblionasium:** All K-8 students Cobb students have direct access to log minutes at [www.biblionasium.com/summerreading](http://www.biblionasium.com/summerreading). Use your student number and school computer password to log in. If prompted, enter the state of Georgia and your school.
