

# SET UP YOUR EBOOK APP

Read anywhere this summer with Capstone Interactives App. Access all available titles with a WI-FI connection or download up to 20 titles for offline reading.

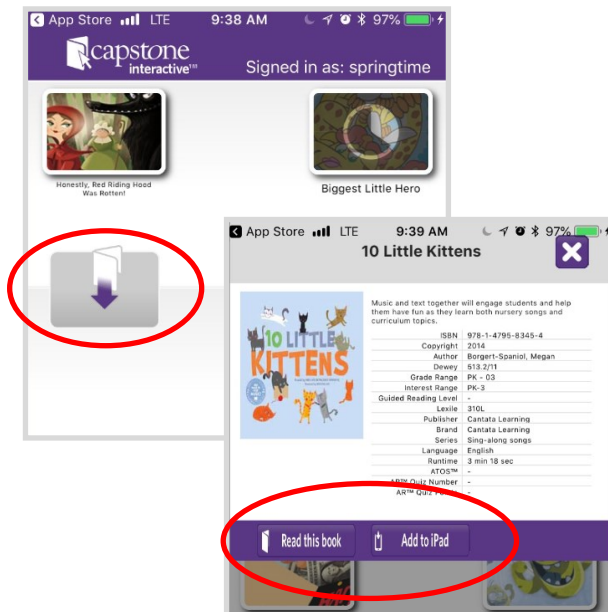

1. Find the App by searching: Capstone Interactive

2. Sign in with your Username/Password.

3. One books is already loaded in your App. With a WI-FI connection select the title you want to read or download for offline reading later.

**Parent Note:** You can download 20 titles at a time. Freshen up the list from time to time by deleting and downloading new.

**Teacher Note:** Download the eBooks you use in your daily lessons for easy access.
